## 15 CALLS MADE TO THE CONTROL ROOM-MORE CALLS MEAN LESS CRIMES.

There were **NO** crimes in Victory Park last week. Well done!!

The ICC have recently identified a possible new Modus Operandi developing. Suspects loiter in and around parking lots situated off shop fronts, restaurants or places of worship and strike when the victims are returning to their motor vehicles. The suspects appear to "blend" in with their surroundings utilizing cover stories when approached and have thus far been undetected. We are aware of 2 incidents which have occurred this week in other CAP areas. At this moment it is believed that they are however unrelated.

Please increase awareness and vigilance, if you notice any two or more males on foot or in a vehicle that you don't know, or anyone acting suspiciously or untoward.. PLEASE CALL IT IN TO VPCAP ON **086 18 000 18**.

Residents, please make sure that your physical security at your homes is up to speed.

Have burglar alarms, and use them. Check your perimeter fencing and walls, cut away any overhanging tree branches from your perimeter. Please ensure that when you drive in to your driveway, firstly that no one has followed you, or lurking around. Close your gate immediately, ensuring that it is in fact closed. Disconnect any sensor on your gate.

Please instruct your house keeper and kids , not to open the gate or door for ANYONE that you have not told them about ,and if you have told them about someone, to ensure that it is in fact the person you are expecting ,and not to be presumptuous and open the gate without checking.

On behalf of the VPCAP committee and all fellow Victory Park residents, we would like to wish the Fihrer family, strength and blessings for the quick recovery of their 5 year old grandson who fell into a pool on Tuesday and is in hospital in an induced coma.

Wishing all our Hindu Residents a meaningful Krishna Janmashthami.
